WINERY

For five generations our family has been cultivating wine.

WEINBAU
DESILY

Josef Stehlick was the first winemaker in our family in the 19th century and founded our winery. He was followed by Matthias Lentsch, Herlinde Lentsch, Andrea Lentsch and Desily Lentsch.

Our grapes grow in an area of about 3 hectares on sandy soils in the protected area of the national park. About 2,000 hours of sun a year support the great quality of our wines. Our grapes are exclusively harvested by hand.

The winery is run by our subsidiary company Weinbau Desily.

NO BARRIERS

All room categories marked with  include rooms which are equipped with barrier-free bathrooms.

Rooms for wheelchairs have drive-in showers with seats and handles as well as toilets with handles. The doors are 80 centimetres wide.

The entire hotel is barrier-free and all floors can be reached by elevator.
